NURTURING TECH TALENTS FOR LONG-TERM SUCCESS ACROSS AFRICA

Segsalerty is a talent support platform dedicated to unlocking the potential of brilliant tech talents. We provide an inclusive and supportive environment where we help you develop your skills, and become industry leaders.

At Segsalerty Talent Support, our strategy is simple: Discover, Support, Liberate.

Discover

First, we set out to discover promising talents who are lacking the required support through our application process.

Support

We're all about creating a friendly and supportive environment for our budding world-class talents. Our fully-equipped hub provides the perfect space for you to develop your technical skills and achieve your career goals.

Liberate

At Segsalerty Talent Support, we provide guidance for our talents in your job search with professional advice on interviews and offer negotiations, ensuring you navigate the market with confidence.

WHAT WE OFFER

Enabling Facility

Our space is intentionally designed to help you focus on your work without the distractions of everyday life. Our quiet and well-equipped hub makes it easy for you to concentrate on the task at hand, so you can be your most productive self.

Access to work tools

We want our talents to stay ahead of the curve, which is why we provide access to the latest software and technology, design software, and development tools. Even if you're not familiar with these tools, don't worry! We also offer training and support to help you effectively use them.

Development opportunities Advisory

We understand that the tech industry is constantly evolving, and our goal is to equip you with the knowledge and skills you need to navigate this exciting field, make well-informed decisions, and thrive in your career.

Networking opportunities

At STS, we believe that networking is essential to career success. That's why we offer our members the chance to connect with other like-minded tech talent and gain valuable insights into the latest industry trends, best practices, and emerging technologies. Our supportive community of tech talent is the perfect place to collaborate, share ideas, and build lasting relationships that can help you achieve your career goals.

Challenges and collaboration opportunities

We put together exciting challenges for everyone at the hub to build and gain on-hands experiences, and of course, forge meaningful relationships.

We also want to make sure that our members feel comfortable and at home at STS. That's why we offer plenty of coffee, tea, and lunch options to keep you fueled and energized throughout your talent development journey. And the best part? It's all on the house!
